

**National CEN in Disorders of Fluency**

**Working with temperament styles in children who stutter  
and their families**

**Speaker: Kurt Eggers**

Kurt Eggers holds a BA in Medicine, MA in SLT, and PhD. in Developmental Psychology and Biomedical Sciences. He is secretary and instruction & training committee member of the International Fluency Association and member of the fluency committee of the International Association of Logopedics and Phoniatrics. He is researcher and lecturer fluency disorders at Thomas More U College and Turku University and coordinates the European Fluency Specialisation course ([www.ecsf.eu](http://www.ecsf.eu)). Kurt has worked clinically for many years and his research focuses on the role of temperament, attentional processes and executive functioning in stuttering.
